About Us

Village in the Ville is a grassroots, member-driven, community organization created for neighbors, by neighbors. Villages empower older adults, age 50+, to age in community by providing services, engagement, and connection.

This program of Clintonville-Beechwold Community Resources Center is part of the Village Movement that began 15 years ago.

Village in the Ville's boundaries extend north to Lincoln Avenue, east to the railroad tracks, south to 11th Avenue, and west to the Olentangy River.

Members pay an annual fee based on the number of participants in the household and selected membership level. Scholarships are available to those with financial need.

Not ready for membership? Consider volunteering to help current members.
